Spoštovani gostje!

Celjski kajakaši smo na sotočju Savinje in Ložnice prisotni že dolga desetletja. Zadnjih 12 let v novem kajakaškem centru vzgajamo uspešne mlade športnike vseh generacij, ki večina sodijo v sam vrh slovenskega kajakaškega športa. Ob tem si klub na vseh nivojih odločanja prizadeva pridobiti podporo in možnosti za izgradnjo moderne slalomske proge.

Ob športnem programu uspešno razvijamo tudi poslovno dejavnost v naši vse bolj uveljavljeni kavarni in piceriji Špica. Prelistajte našo gostinsko ponudbo in izberite nekaj po svojem okusu.

Z veseljem vas bomo postregli, saj želimo, da odidete zadovoljni in z dobrim vtisom.

Dear Guests!

Celje kayakers have been present at the confluence of Savinja and Ložnica for many decades. For the last 12 years, in the new kayaking center, we have been training successful young athletes of all generations, most of whom belong to the very top of the Slovenian kayaking sport. At the same time, the club at all decision making levels strives to obtain support and opportunities for the construction of a modern slalom course.

In addition to the sports program, we are also successfully developing business activities in our increasingly established cafe and pizzeria Špica. Browse our catering offer and choose something to your taste.

We will be happy to serve you, because we want you to leave satisfied and with a good impression.

Team Špice and kayakers from Celje.
